

**Healthcare Valuation Firm Provides Relief During Coronavirus Outbreak**  
*Carnahan Group offers free usage of FMV-MD™ platform*

TAMPA, FL, March 24, 2020 /PR Newswire/ – Carnahan Group, a leading healthcare advisory firm, understands the amount of stress that the Coronavirus (Covid-19) pandemic places on healthcare providers. Through May 31<sup>st</sup>, the firm is giving free and discounted access to the nation's leading physician compensation compliance platform, FMV-MD™, to hospitals and health systems. This offer is intended to help health delivery organizations more quickly and compliantly contract with physicians and advanced practice clinicians ("APCs") to respond to current and expected clinical staffing challenges.

"The FMV-MD™ platform eliminates barriers to creating successful hospital-physician relationships through rapid FMV assessment and compliance support", said Chris Carnahan, Carnahan Group President. He added, "We want to be there for our clients and our industry during these difficult times. Our platform allows teams working remotely to address complex physician arrangements. Moreover, it helps reduce stress on hospital operators struggling to develop the resources necessary to meet patient care demands."

FMV-MD™ is a web-based physician compensation management system that automates Fair Market Value analysis and reporting. The platform leverages fully licensed industry data and proven valuation methods to determine the FMV conformance and commercial reasonableness of individual physician arrangements. The offer provides hospitals two free instant valuations for lower risk arrangements, discounted consulting fees on higher risk arrangements and access to FMV Estimator™, a novel data tool providing insight into market compensation values. Current FMV-MD™ clients will receive a one-month extension on their current subscription.
