

**Top Healthcare Compliance Firm Releases Game-Changing Module**  
*Carnahan Group expands its FMV-MD™ platform with FMV Estimator™.*

TAMPA, FL, May 20, 2020 – The FMV-MD™ platform, powered by Carnahan Group, has released a new module to allow its users the flexibility to quickly identify market benchmarks for Clinical, Administrative / Medical Director, On-Call, and Academic compensation. The market data embedded within the module are from five fully licensed data sources. This expansion of the platform allows users to view benchmarks on an annual, shift, WRVU or hourly basis.

"This important advancement speeds up the physician contracting process while helping bolster our clients' regulatory compliance efforts. Our innovative technology is available at any time from any connected device. We are constantly seeking ways to reduce compliance costs by putting more expert resources in the hands of healthcare decision-makers. The FMV Estimator™ is a significant step toward that goal," says Chris Carnahan, President of Carnahan Group.

**About Carnahan Group:** Carnahan Group, Inc. is an ingenious healthcare advisory firm that employs game-changing technology to drive compliance improvements and cost reductions for some of the nation's largest healthcare organizations. For almost two decades, Carnahan Group has served the healthcare industry by providing physician compensation and business valuations, as well as providing litigation support and conducting Community Needs Assessments and Community Health Needs Assessments.

Carnahan Group also powers the industry leading FMV platform, FMV-MD™, which allows hospitals and healthcare entities to receive physician fair market valuations instantly. Look for announcements regarding additional platform features in the coming months.
